

New England Trade Mission to Poland September 24 - September 30, 2023

Poland is one of the most economically stable and fastest developing countries in the world. As one of the largest markets in Europe, Poland is highly attractive to U.S. companies as a strategic location for trade and investment.

The first in a series of initiatives to drive business between the U.S. and Poland, this trade mission will focus on introducing New England companies and organizations to the Pomerania Region.

"It is with great pleasure that I welcome the New England trade mission to Poland this Fall. I am deeply proud of Pomerania, where I make my home, and the huge advantages the region offers to businesses from the United States."

..... Former President and Nobel Peace Prize Laureate, Lech Wałęsa

Eurotech International Corp. is joining forces with President Lech Wałęsa and Invest in Pomerania to lead a trade mission to Poland this Fall. The trade mission is the first in a series of initiatives focused on building business between Poland and the United States, and the impetus for the company's formation. This alliance and the expanded network has put an unparalleled ecosystem in place to generate, facilitate, and support economic, business, and trade development.

POMERANIA

This trade mission will focus on the region of Pomerania, considered one of the best performing, dynamic, and fastest growing

regions in Poland and in Europe. Stretching from Northern Poland to the Baltic Sea, Pomerania includes the tri-city region of Gdansk-Gdynia-Sopot and is one of the 25 fastest growing regions in Poland.
